	21.9.2001 : Mr.Prashant Mishra for the petitioners. Mr.Gautam Bhaduri for respondent no.1. Mr.Bhaduri makes a prayer to allow him to obtain instructions before any order is passed. On the other hand learned counsel for the petitioner submits that the entire purpose of the petition will be frustrated if certain orders are not passed today. The matter concerns the study of the writ petitioners in Medical College, Raipur. Presently they are undergoing Post Graduate Diploma Course at Gwalior. They appeared at the Pre Post Graduate Examination conducted by the Professional Board of Examination by the State of M.P. This Board conducts such examination for theState of M.P. and also of Chhattisgarh. The writ petitioners have been selected and their names appeared at S.No. 7 and 9 in the merit list. For the current academic session there are thirteen seats of Post graduate studies in various medical sciences in the medical college, Raipur They applied for Post Graduate studies at Raipur medical college. They could not appear for the medical scrutiny held on 20.9.2001. For the purpose of seeking admission for Post Graduate studies, it is necessary that the candidates should submit the original certificates of their MBBS course and such other required certificates

must be produced in original. They produced a certificate issued by the Dean of Feculty of Gwalior Medical College to the effect that the original certificates of these two students are lying in the office of Medical College,Gwalior where they were enrolled for Post Graduate Diploma Course. It is also stated that if the petitioners are selected for undergoing Post Graduate Degree Course at Raipur Medical College, they would immediately withdraw their original certificates from Gwalior. The difficulty faced by these two students is that unless they produce original certificates of their educational qualification,they would not be permitted to participate in the counselling which is taking place today and the same will continue till tomorrow. A limited prayer has been made in this petition seeking direction from this Court that in the facts and circumstances of this case particularly concerning the career of students and particularly when there can be no doubt that they have original certificates which some-how in view of the reason given above, are lying at Gwalior Medical College which fact has been duly testified by the competent authority of the said college, in my view no prejudice will be caused and no other persons' right will be affected if this petition is disposed of without waiting for further instructions in the interest of justice.

In the result this petition is disposed of as follows :-

These two writ petitioners shall be permitted to participate in the counselling. If they are found eligible and they are allowed to study at Medical College,Raipur, they shall
